Deep inside my soul,  
I know,  
That I gotta get a grip,  
On myself.  
Deep inside my mind,  
I think,  
Too, too, too, much.  
And it's driving me insane!

It is time to pick up,  
All the broken pieces.  
It's time to wake up,  
And recognize the poison.  
But I got to know  
How can I find the strength?  
The edge I'm feelin',  
Am I on the brink,  
Of a break, from reality,  
Of a break, from rest of me,  
Of a break, before it came down to this?  
Will I have the strength to resist  
The times that try me,  
The times that define me,  
For the rest of my life,  
For the rest of eternity?

Deep inside my soul,  
I know,  
That I gotta get a grip,  
On myself.  
Deep inside my mind,  
I think,  
Too, too, too, much.  
And it's driving me insane!

It's time to open up,  
The cage of your ignorance.  
It's time to set free,  
And recognize your demons.  
But I see now,  
Why we live in this empty space.

The edge I'm feelin',  
Am I on the brink,  
Of a break from my fantasy,  
Of a break from what I want to be,  
Of a break, before it came down to this?  
Will I have the strength to resist, The times that scare  
me,  
The times that divide me,  
For the rest of this life,  
To save my eternity?
