Einar :

The man on the cross  
He stares at me  
He's on the cross  
Because I'm....  
Our sins, our sins, my sins  
I've got nothing to do with it  
He keeps....he keeps....he keeps in mind  
The man on the cross  
He keeps staring at me  
The man on the cross  
He keeps staring at me  
I try to face  
I try to face  
The man on the cross  
He keeps....he keeps....STOP

Bjork :

I'm quite happy  
See, I'm quite happy  
I've got beautiful feels  
I know what I want, see  
I got this certain direction, see  
I just do as he tells me  
I ain't scared  
I believe  
I believe  
I'll do anything  
Just ask  
I believe

Einar :

I'm on the cross  
Staring at our souls  
We are the cross  
Because all these crazy, crazy, crazy sins  
Has put us on the cross  
Oh greed, we hang there  
We're hanging there  
We just hang there  
So long, baby  
Don't you see  
We're hanging on the cross

We are hanging....we are hanging....on the cross  
Bjork :  
I'm in this relation-ship now  
See, we intend, we work together  
I do the dirty work for him  
One and one, speech your souls  
Quite good, you see  
He's still busy  
He's still busy hanging on the cross all the time  
See, I believe and I'm willing to  
I'm willing to promise everyone  
I believe  
Come follow us  
It's quite good  
You don't do think  
He thinks for you, you just follow  
Oh, I believe....  
I believe....  
I believe....  
Einar :  
We are on the cross together  
And our sins....  
We are on the cross because of them  
Bjork : I believe
