This is where it starts  
This is... where it stops  
And when it finally stops  
I hope, starts right up  
Walk the glitter mile  
Past hotels of sand  
People say'n lots of things  
Ain't my job... to listen  
I don't believe  
What they say you've done  
Don't believe in anything  
Anything that lasts for long  
Everytime I change my mind...  
You say I'm heartless... but I want the same thing as  
you  
This is where it stops  
This is... where it starts  
And when it finally starts  
I hope it pulls right up  
Everytime I change my mind...  
You say I'm heartless... but I want the same thing as  
you  
Why do ya say  
They built this desert in our way?  
Open your eyes  
Watch it slowly come alive  
Somethin' new  
Changin' into somethin' new...  
Somethin' that I... saved for you  
Everytime I change my mind... everytime I change my  
mind  
You say I'm heartless... but I want the same thing as  
you  
Everytime I change my mind... everytime I change my  
mind  
You say I'm heartless ... but I want the same thing as  
you  
Hmmmmmm something new... something new...  
Something new... something new...
