I sit here singing a song  
a song that'll make you sleepy  
Oh I sing a harsh hymn all through the night  
so I won't fall asleep  
Oh oh lil' baby in my arms  
I am armed  
I'm standing in the line of fire

My heart is beating  
It goes boom boom boom  
Both my feet  
wanna march right out of the room  
It's like a fever and I don't feel fine  
I wanna leave you baby  
but our veins are entwined

Oh oh I'm sitting on a chair  
sing oh man I'm sitting on a chair  
Oh oh I'm sitting on a chair  
I wanna leave you baby but our veins are entwined  
Oh oh I'm sitting on a chair  
Sing oh man I'm sitting on a chair  
Oh oh I'm sitting on a chair  
Sitting on a wooden chair

Said  
Oh I've seen so many come and go in a flow  
Bring me along  
Oh let the soup get burned in its pot  
The holes grow bigger in the socks

My heart is beating  
It goes boom boom boom  
Both my feet  
wanna march right out of the room  
It's like a fever hey I don't feel fine  
I wanna leave you baby  
but our veins are entwined

Oh oh I'm sitting on a chair  
sing oh man I'm sitting on a chair

Oh oh I'm sitting on a chair  
I wanna leave you baby but our veins are entwined  
Oh oh I'm sitting on a chair  
Sing oh man I'm sitting on a chair  
Oh oh I'm sitting on a chair  
Sitting on a wooden chair

Wait don't go  
Where holes begin to grow  
Never say no  
Stay

Wait don't go  
I'm not gonna go there  
Aint gonna go  
Where holes begin to grow  
Aint gonna go  
I'm not gonna go there  
Aint gonna leave my baby  
Cause our veins are entwined

Oh oh I'm sitting on a chair  
sing oh man I'm sitting on a chair  
Oh oh I'm sitting on a chair  
I wanna leave you baby but our veins are entwined  
Oh oh I'm sitting on a chair  
Sing oh man I'm sitting on a chair  
Oh oh I'm sitting on a chair  
Sitting on a wooden chair
