And slowly, you come to realize  
It's all as it should be  
You can only do so much

If you're game enough  
You could place your trust in me

For the love of life  
There's a trade off  
We could lose it all  
But we'll go down fighting

And what of the children?  
Surely they can't be blamed for our mistakes?

And slowly I've come to realize  
It's all as it should be

That hiding space  
A lonely place

How can the right thing be so wrong?  
I've found mistakes  
Where they don't belong

For the love of life  
We'll defeat this  
They may tear us down  
But we'll go down fighting

Won't we?
