I don't want to be this,
I don't want to feel so left behind
Cause when my world stops turning
I see no reason to runaway

I don't even know why
everyone seems to pass me by
my walls are caving in to the empty sound
of a lost feeling

O, and every time that I stop believing in this world of
mine,
I'm deceiving, I don't wanna find,
another reason to runaway from you

Who are, I've seen through the night
I have tried, So hard all my life
Just to find, What once was a might
It's a new kind of rain, pourin' down

Is everybody Dying
Everybody feels so far away
Have we all lost hope
Are strung all this bled routine

O, and every time that I stop believing in this world of
mine,
I'm deceiving, I don't wanna find,
another reason to runaway from you

Who are, I've seen through the night
I have tried, So hard all my life
Just to find, What once was a might
It's a new kind of rain, pourin' down

I didn't want to be this
I didn't want to feel so left behind
Cause when my world stopped turning
I saw no reason to runaway
