You've got this strange effect on me  
And I like it  
You've got this strange effect on me  
And I like it

You make my world in white  
You make my darkness bright, oh, yes  
You've got this strange effect on me  
And I like it

And I like the way you kiss me  
Don't know if I should  
But this feeling it's love and I know it  
That's why I feel good

You've got this strange effect on me  
And I like it  
You've got this strange effect on me  
And I like it

You've got this strange effect on me  
And I like it  
You've got this strange effect on me  
And I like it

You make my world in white  
You make my darkness bright, oh yes  
You've got this strange effect on me  
And I like it

And I like the way you kiss me  
Don't know if I should  
But this feeling it's love and I know it  
That's why I feel good

You've got this strange effect on me  
And I like it  
You've got this strange effect on me  
And I like it  
You've got this strange effect on me  
And I like it, and I like it
