Late at night, I will stare up in the sky, forever (ever,  
ever)

Late at night, I will stare up in the sky, forever (ever,  
ever)

Looking for more (more, more)

Looking for more (more, more)

Late at night, I will stare up in the sky, forever (ever,  
ever)

Late at night, I will stare up in the sky, forever (ever,  
ever)

Looking for more (more, more)

Looking for more (more, more)

More, more, more, more

Looking for more (more, more)

Looking for more (more, more)

More, more, more, more
