The Heart's Lonley Hunter Lyrics

The Truth is unspoken, a promise is broken  
I'm under surveillance, they know what my name is  
I need some protection, some love and affection  
There's 1000 reasons, but one is the number

Welcome to my spaceship  
It's beautiful forever  
She's right here where you left her  
And the heart's lonely hunter

Save bottles of water and flour and sugar  
Turn off the AC and hang up the bed sheets  
Cover up windows, careful where the light goes  
Yank out the cable and blow out the candle

Welcome to my spaceship  
You're beautiful forever  
She's right here where you left her  
And the heart's lonely hunter

Perfectly molded almost unfolded  
Under the counter well, that is your nature

Drip grind or roasted, buttered or toasted  
The greater the db's the higher the AC

Psycho acoustics  
Down in the black seats  
Stereo nation  
Amplification  
The brave and the righteous  
They're safe in their houses  
Now one is just a number  
The heart's a lonely hunter  
One is the number  
Heart is a hunter  
One is a number  
Heart is a hunter

Welcome to my spaceship  
You're beautiful forever  
She's right here where you left her  
And the heart's lonely hunter

Welcome to my spaceship  
You're beautiful forever  
She's right here where you left her  
And the heart's lonely hunter
