Jah Rastafari

One heart, one love, one moon  
One Earth, one light  
The Almighty, Jah Rastafari

Unfathomable  
Master builder of creation

Jah Rastafari  
Who stands to rule and reign worldwide  
'Ras' mean King, 'Tafari' mean 'Head creator'

Supreme, supremacy, ruler among the mighty  
He touched lightening and it scorched  
Rebuked the wind and chastised thunder

Almighty  
Him alone the only international field marshal, general  
Helaie-I selasie
