This is not a love song
Happy to have, not to have not
Big business is very wise
I'm crossing over into enterprise

This is not a love song
This is not a love song
This is not a love song
This is not a love song

I'm adaptable, now I like my new role
I'm getting better and better, I have a new goal
I'm changing my ways where money applies
This is not a love song

This is not a love song
This is not a love song
This is not a love song
This is not a love song

I'm going over to the other side
I'm happy to have, not to have not
Big business is very wise
I'm inside free enterprise

This is not a love song
This is not a love song
This is not a love song
This is not a love song

Not television behind the curtain
Out of the cupboard you take the first train
Into the big world, are you ready
To grab the candle that turn a vision?

This is not a love song
This is not a love song
This is not a love song
This is not a love song
