(Hooverphonic)

You've got this strange effect on me
And I like it

You've got this strange effect on me
And I like it

You make my world in white
You make my darkness bright, oh yes
You've got this strange effect on me
And I like it

And I like the way you kiss me
Don't know if I should
But this feeling it's love and I know it
That's why I feel good

You've got this strange effect on me
And I like it

You've got this strange effect on me
And I like it

You've got this strange effect on me
And I like it
You've got this strange effect on me
And I like it

You make my world in white
You make my darkness bright, oh yes
You've got this strange effect on me
And I like it

And I like the way you kiss me
Don't know if I should
But this feeling it's love and I know it
That's why I feel good

You've got this strange effect on me
And I like it

You've got this strange effect on me
And I like it

You've got this strange effect on me
And I like it, and I like it
