Itsuka wa yume ga kanau What are you hoping for

Namida mo tsuyogari mo nagesuteru koto ga dekiru yo
ne

Fukinukeru kaze no tsuyosa ni kokoro ga yure

Setsunai omoi to ima tatakatteru

Don't ask me why dou shiyou mo naku

You are the first thing on my mind

Love, day after tomorrow.....I wish you knew

Aimai ni kazatta kotoba wa iranai

Love, day after tomorrow.....I need you back

Tada kimi to onaji hayasa de arukitai kara

Anna ni okotta kao wa

You never looked at me this way

Hitomi no oku ni aru shinken na ai to adobaisu

Gomen ne no hitokoto

Meeru de okutta moji ja henji wa konai ne

Namida ga afureteku Don't ask me why

Dou shiyou mo naku

I can't see the world, walking through

Love, day after tomorrow.....I wish you knew

Mayowazu ni susumitai donna kurayami mo

Love, day after tomorrow.....I need you back

Ima kimi to onaji hikari o mezashiteiru kara...

Furidashita ame yasashiku saseru yo

Kitto yakusoku shita hi ni wa

Motto kimi ni chikazuki soshite mayowazu ni

Ieru Oh~ Stay with me

Love, day after tomorrow.....I wish you knew

I'm still in Love, But you're gone, And now my heart is
breaking

Love, day after tomorrow.....I need you back

My heart is waiting for your love,

L.O.V.E one more day....
