Never gonna give you up
Never gonna let you down
Can you kizuiteru?
Konnanimi Crazy over you
Kimi ni meguri atta sono shunkan kara
Together we share this love so strong
Whenever you touch my body
Kotoba ni naranai
Cause the love you give's so good
Whispers that you love me
Kokoro de kanjitai
I can feel your touch inside
There is nothing I won't do
In this life I'll wait for you Yeah
You know There is nothing I won't do
In this life I'll wait for you Yeah
Mezameta kokoro ga
Afureteku So much more
I dream of you every night
Kizutsuitemo ii
Onaji yume wo mitaikara

Whenever you touch my body

Shinjite itaiyo

Cause the love you give's so good

Whispers that you love me

Kimi no koe dakewa

I can feel your touch inside

There is nothing I won't do

In this life I'll wait for you Yeah

You know There is nothing I won't do

In this life I'll wait for you Yeah

There is nothing I won't do

In this life I'll wait for you Yeah

You know There is nothing I won't do

In this life I'll wait for you Yeah

Never gonna give you up

Never gonna let you down
