Sabaku ni saku aoi tsuki no hana

Sasayaku koe ga hibiite iru

Anata no me niwa naniga mieruno

Sobani iru noni

I don't know where you are

Utsumuku watashi ni teo sashi nobete

Doushite sonna ni yasashi no

Don't leave me again sono teo

Never let you go shinjite

In the moonlight stars

kowareta kokoro o tori modosou

Yozora ni chiru asuhen o hikariga

Sukoshi demo ima kagayaku nara

Yume miru koto yamezu

Toki o koetemo

Sobani iru noni

We don't care what meant

Tashika na mono sae wakaranai keredo

Ayumi o tomesu ni ikite ikou

Don't leave me again kokoro de

Never let you go omotte

In the moonlight stars
Itsuka wa aoi sora to umi ni
Ima wa mou kanashimi no arubamu toji
Nagashita namida wa frozen sea
Don't leave me again
Atarashii peeji o hiraite
In the moonlight stars
Kagayaku ikusen no hitomi
Don't leave me again
Look at us please
We are trying to live on this earth
Oh yeah
In the moonlight stars
All the kids are fighting to live on this earth
Oh Yeah
