[Timbo King]

Nigga Be Nasty so pass me the hot burner  
cuz I'ma squirt, shoot 'em shoot 'em squirt, kisses hard  
dirt  
Dirty sound gather round, the boots keep stompin  
Brooklyn to Compton, I set it up like Al Sharpton  
cuz I get wreck off the instrumental  
I make it simple as a blow to your mothafuckin temple  
I know it hurts money, but you fuck with the wrong man  
So have these nuts to your honey, cuz everyday is a  
payday  
Forever my lady, huh forever my AK  
Now who's real when it comes to the steele, never ran  
never will  
I got the mad skills, I'm spillin drinks on 'em, wordem  
up  
Blow 'em up yo it's time to throw the sheets on 'em  
on the corner cops harass me  
cuz it's good to be a nigga when you're nasty

Chorus 3X: Spark 950

Yes we're nasty, yes we're nasty  
It's good to be a nigga when you're nasty

[Timbo King]

Ahhh shit I need another clip  
cuz if you flex I get vexed with the techs, who's the next  
'vic?  
cuz I'm a Gravedigga, on the mic I'm a brave nigga,  
the top paid nigga  
So bring da mothafuckin ruckus, can you dig it suckas?  
The heat is on yo, if there's beef I only have to, make  
one phone call  
Get the peoples in a minute, fuck the sheriff I shot  
down  
the god damn lieutenant, took his stripes off his  
shoulder  
Slapped his wife up, took her home then I boned her,  
I'm kinda heavy baby  
Put the pedal to the metal cuz these niggas gonna push  
daisy

So don't pass me, cuz it's good to be a nigga when  
you're nasty

Chorus 3X

[Timbo King]

\*singing\*

Bring 'em on bring 'em on come to me  
I'm going to shoot 'em down one-two-three  
If that sucka don't cough up blood  
Take his face and shove it in the mud  
Yes, its the murder sound, underground flava  
I hate a bitch cuz a bitch is a traitor  
Pop that coochie bitch pop that coochie  
Suck my dick cuz you nothing but a hoochie..

Sparks swinging to the rear, officer, officer ain't no  
crack in here  
So what the hell you want from me? Cuz I'ma nigga  
thats funky, see?  
I ain't playing see, where's the loot at? You better start  
paying me  
On the corner cops harrass me  
cuz it's good to be a nigga when you're nasty

Chorus 3X
