Sleep, baby sleep,  
While the world passes by  
I'll be the keeper  
of your dreams tonight  
I'll be your eyes  
until you can see.

I'll be your voice  
until you can speak.

In this land of strangers

Chorus

I'll be the one  
to love and protect you,  
guide and respect you,  
In my arms you will be  
In my arms you will be  
forever home.

Sleep, baby sleep,  
In an ocean of love  
No way of knowing  
What you're thinking of  
Close to the heart  
That's where you belong  
You're part of my spirit  
Part of my song  
First last and always

Chorus

I'll be the one  
to love and protect you  
guide and respect you  
In my arms you will be  
In my arms you will be  
In my arms you will be  
In my arms you will be  
forever home

Have you come to show me  
what love's all about?

To lift up my faith  
higher than doubt?

In my arms you will be  
In my arms you will be  
In my arms you will be

In my arms you will be  
forever home.  
Forever home.  
Forever home.
