Here I am at what feels like the end
So I come to You, my Lord, again
With this burden buried deep within
This heart that You have made

In this trial that I'm goin' through
I don't question, 'cause I know it's true
That the sorrow brings me back to You
And You have made me stronger

It's been forty days and forty nights
Down the road of many trials
And I pray it's only for a season
'Cause in the wilderness and in the flood
You're the one I'm thinkin' of
And I know You've brought me for a reason

I have one more thing I've got to say
Before they tried out take my life away
Let it be known that I am not afraid
Oh, let Your will be done, Lord

It's been forty days and forty nights
Down the road of many trials
And I pray it's only for a season
'Cause in the wilderness and in the flood
You're the one I'm thinkin' of
'Cause I know You've brought me for a reason, Lord,
yeah
Lord now, Lord now, brought me for a reason

It's been forty days and forty nights
Down the road of many trials
And I pray it's only for a season
'Cause in the wilderness and in the flood
You're the one I'm thinkin' of
'Cause I know You've brought me for a reason

It's been forty days and forty nights
Down the road of many trials
And I pray it's only for a season
'Cause in the wilderness and in the flood

You're the one I'm thinkin' of
'Cause I know You've brought me for a reason

Brought me for a reason, yeah, yeah, yeah
You've brought me for a reason, yeah, yeah, yeah
Brought me for a reason, brought me for a reason
