As long as I remember  
I've been walking through the wilderness  
Praying to the father  
And waiting for my time  
I've come here with a mission  
And soon I'll give my life for this world

I'm praying in the garden  
And I'm looking for a miracle  
I find the journey hard but  
It's the reason I was born  
And can this cup be passed on?  
Lord, I pray Your will be done  
In this world

So I'll carry my cross  
And I'll carry the shame  
To the end of the road  
Through the struggle and pain  
And I'll do it for love  
No, it won't be in vain  
Yes, I'll carry my cross  
And I'll carry the shame

I feel like I'm alone here  
And I'm treated like a criminal  
The time has come for me now  
Even though I've done no wrong  
Father, please forgive them  
They know not what they've done  
In this world

So I'll carry my cross  
And I'll carry the shame  
To the end of the road  
Through the struggle and pain  
And I'll do it for love  
No, it won't be in vain  
Yes, I'll carry my cross  
And I'll carry the shame

Three more days and I'll be coming back again

Three more days and I'll be coming back again

Yeah, so I'll carry my cross  
And I'll carry the shame  
To the end of the road  
Through the struggle and pain  
And I'll do it for love  
No, it won't be in vain  
Yes, I'll carry my cross  
And I'll carry the shame

Yeah, I'll carry my cross  
Yeah, I'll carry the shame  
Oh, I will do it for love, yeah  
Oh, I will carry my cross  
I'll carry the shame
