You can all call me crazy for the things that I might say
And you can laugh all you want to, yeah, and I know
there will come a day
When we all will come together and learn to set aside
our hate
If we could learn to love our neighbor, yeah
Just like we would love ourselves

We've got to come together 'cause in the end we can
make it alright
We've got to brave the weather through all of the
storms
We've got to come together 'cause in the end we can
make it alright
We've got to learn to love, we've got to learn to love

You can call me a dreamer, but these dreams will come
true
And yes, I am a firm believer, yeah in the things that we
could do
If we would all just come together and let the Lord lead
our way
There is nothing that we can't do, oh there is nothing
we can't face

We've got to come together 'cause in the end we can
make it alright
We've got to brave the weather all through all of the
storms
We've got to come together 'cause in the end we can
make it alright
We've got to learn to love

And I know that there will come a day when the Lord will
call his own away
To a place that He has made for all of us
But until the day of His return, there's a lesson that
we've got to learn
We are brothers and we're sisters, we are one, oh yeah

We've got to come together 'cause in the end we can
make it alright

We've got to brave the weather through all of the
storms
We've got to come together 'cause in the end we can
make it alright
We've got to learn to love

We've got to come together 'cause in the end we can
make it alright
We've got to brave the weather through all of the
storms
We've got to come together 'cause in the end we can
make it alright
We've got to learn to love

We've got to learn to love
You know we've got to learn
You know we've got to
You know we've got to learn to love
Oh yeah, yeah, yeah, yeah, yeah
Don't you know, oh yeah
Don't you know we've got to learn to love
