1, 2, 3, 4, 5, 6

Set this place on fire, send your spirit, Savior
Rescue from the mire, show Your servant favor
Yesterday was the day that I was alone
Now I'm in the presence of Almighty God

And yes our God, He is a consuming fire
And the flames burn down deep in my soul
Yes our God, He is a consuming fire
He reaches inside and He melts down this
Cold heart of stone

Set this place on the fire, send Your spirit, Saviour
Rescue from the mire, show Your servant favor
Yesterday was the day that I was alone
Now I'm in the presence of Almighty God

Yes our God, He is a consuming fire
And the flames burn down deep in my soul
Yes our God, He is a consuming fire
He reaches inside and He melts down this
Cold heart of stone

Did you realize that inside of you there's a flame?
And did you ever try to let it burn? Let it burn, let it burn

Yes our God, He is a consuming fire
And the flames burn down deep in my soul

Yes our God, our God, He is a consuming fire
And the flames burn down deep in my soul
Yes our God, He is a consuming fire
He reaches inside and He melts down this
Cold heart of stone

God, He is a fire
Yes our God, He is a fire
