"Forever Yours"

Visit "[Forever Yours](#)" on MotoLyrics.com

Hello to you, my love
I hope that you're doing well
I miss you so much
How I wish that I were there

There is a reason for everything
And there is hope, so don't let go
There's something more
Remember always
I'll remain forever yours
Forever yours

Oh, memories will fade
But don't let your heart forget
You'll see me again
But that day is not here yet

There is a reason for everything
And there is hope, so don't let go
There's something more
Remember always
I'll remain forever yours
Oh, forever yours

Sometimes you can't remember
Sometimes you can't forget
Sometimes you gotta do what must be done
And I'll love you forever and so until the end
I'll keep on holding on
Will you keep on holding on

When it's time to leave this world
And reach the other side
I'll wait for you upon that distant shore
For I have made a promise
And I hope you won't forget
I will always remain forever yours

Somewhere far beyond this place
And in another time
I know we'll be together once again

For I have made a promise
And I hope you won't forget
I will always remain forever yours
Forever yours

I have made a promise
And I hope you won't forget
That I'll always remain forever yours
I have made a promise
And I hope you won't forget
That I'll always remain forever yours
Forever yours
