

Third Day "Give Me A Reason"

Visit "[Give Me A Reason](#)" on MotoLyrics.com

There must be something wrong with me
I won't stop taking chances
It's nothing to do with apathy
Well, I can't take no for an answer

Give me a reason, why do I do it?
Would you believe it if I told you a lie?
Give me a reason, how could I do it?
The truth isn't easy, that much I can't deny

The question still remains the same
On who can I place all the blame?
The demons, devils of the world
Or is it only myself?

Give me a reason, why do I do it?
Would you believe it if I told you a lie?
Give me a reason, how could I do it?
The truth isn't easy, that much I can't deny

There is something definitely wrong
With all of us
It would take a miracle of God
To make things right

There is something wrong
Here with all of us
There is something definitely wrong

The answer lies in front of me
Confirmed by God's own Spirit
It's in the pages that I read
How could I ever deny it?

Give me a reason, why do I do it?
Would you believe it if I told you a lie?
Give me a reason, how could I do it?
The truth isn't easy, that much I can't deny

Give me a reason, why do I do it?
Would you believe it if I told you a lie?
Give me a reason, how could I do it?

The truth isn't easy, that much I can't deny

Now why do I do it?

There's something wrong, yeah yeah

Something wrong, yeah yeah yeah
