In this place, saw her face
He was more than happier
Made for Him, it's a sin
That she was not faithful

She couldn't be foolishly
More unfaithful if she tried
He did not care, wanted her
Despite lies and wandering eyes

He deserves the very best
But He loves her none the less

She's forgotten her first love
But He's forgotten that
She ever went away and broke His heart

Lavished on silver, gold, anything she needed
Wasted thoughts, broken hearts
Love was not acknowledged

He deserves the very best
But He loves her none the less

She's forgotten her first love
But He's forgotten that
She ever went away and broke His heart

God only knows that He has shown
Her more love than she deserves
There'll come a time when she'll find
That He's not there to give her love
And He'll be gone away from her forever

She's forgotten her first love
But He's forgotten that
She ever went away and broke His heart

She's forgotten her first love
But He's forgotten that
She ever went away and broke His heart
