"Hit Me Like A Bomb"

Visit "[Hit Me Like A Bomb](#)" on MotoLyrics.com

You hit me like a bomb
And everything I'm used to
Is suddenly gone
Sorry to accuse you
Do you know what you've done
When you hit me like a bomb

Hear the sound of the sirens ringing
See the world of a life that's changing
Well you hit me like a bomb
I was scared and I started running
Can't say I never saw it coming
When you hit me like a bomb

(La la la la la la la la...)

You hit me like a bomb
Everything's changing
It didn't take long
For you to start rearranging
Everything that I've known
When you hit me like a bomb

Hear the sound of the sirens ringing
See the world of a life that's changing
Well you hit me like a bomb
I was scared and I started running
Can't say I never saw it coming
When you hit me like a bomb

(La la la la la la la la...)

You hit me like a bomb and I saw it coming
Hit me like a bomb and it's all my fault
You hit me like a bomb and I saw it coming
Hit me like a bomb and it's all my fault

Hear the sound of the sirens ringing
See the world of a life that's changing
Well you hit me like a bomb
I was scared and I started running

Can't say I never saw it coming
When you hit me like a bomb

(La la la la la la la la la la...)
