Well, I've tasted the fruit that was forbidden  
I murdered the trust that you had given  
And now I'm living in a place that's not my home

The pain in your heart made you regret  
The moment we spoke, did you forget?  
Will my transgressions bring us all to our sweet end?

Maybe I'm just being too hard on myself, I don't know  
Or is it that your mercy is much more than I deserve, I  
deserve?

[Incomprehensible] more than I deserve, yeah  
(It's more than I deserve)  
More than I deserve, yeah  
(It's more than I deserve)  
Betrayed by more than just a kiss  
I did much more, I must admit  
Instead of letting it all end, you bring new hope

More than I deserve, yeah  
(It's more than I deserve)  
More than I deserve, yeah  
(It's more than I deserve)

[Incomprehensible] more than I deserve, yeah  
(It's more than I deserve)  
[Incomprehensible] more than I deserve, yeah  
(It's more than I deserve)

[Incomprehensible] more than I deserve, yeah  
(More than I deserve)  
More than I deserve  
More than I deserve, yeah

More than I deserve  
(More than I deserve)  
More than I deserve, yeah
