Lyrics by Mac Powell/Music by Third Day  
From the recording: Come Together, Track #9.

Cannot find the words to say I'm sorry  
Don't know how to show you I was wrong  
Wasted all that you had given to me  
Now I'm left with nothing and no one  
And I find it's my fault  
I'm the only one to blame  
For the tears and the pain

I don't know what I can say  
Or would it matter anyway  
'Cause I don't know how you could still forgive me  
For all that I have put you through  
Is there anything that I can do  
I would give my life to find your mercy

All my life has lead to this decision  
To return and ask you this one thing  
And if I had one chance or if a million  
Would it ever be enough for me  
To explain what I've done  
Now I know that I was wrong  
Will you hold me again

I don't know what I can say  
Or would it matter anyway  
'Cause I don't know how you could still forgive me  
For all that I have put you through  
Is there anything that I can do  
I would give my life to find your mercy  
What will it take until you forgive me  
I don't know

And I find it's my fault  
I'm the only one to blame  
For the tears and the pain

I don't know what I can say  
Or would it matter anyway  
'Cause I don't know how you could still forgive me

For all that I have put you through  
Is there anything that I can do  
I would give my life to find your mercy  
I don't know what I can say  
Or would it matter anyway  
'Cause I don't know how you could still forgive me  
For all that I have put you through  
Is there anything that I can do  
I would give my life to find your mercy  
What will it take until you forgive me  
Oh Lord, will I find that you have already  
I don't know
