From the recording: Southern Tracks, Track #2.

Well I need to be more than I have been
Well I need to be more than I have been
Not for myslef, but for all men
Well I need to be more than I have been, and

I need to do more than I have done, and
I need to do more than I have done
Not for myslef, for everyone
I need to do more than I have done, and

Chorus:
It's about time,
That I try to live my life
For more than myself

It's about time,
That I try to live my life
For Jesus and walk in his steps

Bridge:
For too long I've been, such a selfish man
Leading my whole life, just for myself.
Now I've been given, a second chance, and
I'm not going to let it slip away.

I need to love more than I have loved, and
I need to love more than I have loved
Miss you I never, given up, and
I need to love more than I have loved
