Well, I don't know how to explain it
But I know that words will hardly do
Miracles with signs and wonders
Aren't enough for me to prove to you

Don't you know I've always loved you
Even before there was time
Though you turn away, I'll tell you still
Don't you know I've always loved you, and I always will

Greater love has not a man
Than the one who gives his life to prove
That he would do anything
And that's what I'm going to do for you

Don't you know I've always loved you
Even before there was time
Though you turn away, I'll tell you still
Don't you know I've always loved you

Don't you know I've always loved you
Even before there was time
Though you turn away, I'll tell you still
Don't you know I've always loved you, and I always will

Yeah, I've always loved you, and I always will
I've always loved you, and I always will
I've always loved you, and I always, and I always will
I've always loved you
