Father in Heaven  
Lord, may Your name be glorified  
Above all others  
Above all this world  
Above everything else in our lives  
For nothing else in all of this world matters  
But to live our lives for You and You alone

May Your wonders never cease  
May Your Spirit never leave  
May we ever long to see Your face  
When we've turned from You again  
Oh how quickly we forget  
May we be reminded of Your grace  
May Your wonders never cease

Beautiful Savior  
Truly You proved Your love for us  
While we were sinners in all our weakness  
Still You gave Your life on the cross  
You saved us, Lord, from all of our transgressions  
And delivered us into Your loving arms

May Your wonders never cease  
May Your Spirit never leave  
May we ever long to see Your face  
When we've turned from You again  
Oh how quickly we forget

May we be reminded of Your grace  
May Your wonders never cease

Father in Heaven  
Lord, may Your name be glorified  
Above all others  
Above all this world  
Above everything else that's in our lives  
For nothing else in all of this world matters  
But to live our life for You and You alone

May Your wonders never cease  
May Your Spirit never leave

May we ever long to see Your face  
When we've turned from You again  
Oh how quickly we forget  
May we be reminded of Your grace  
May wonders never cease  
May wonders never cease, Lord  
May Your wonders, may Your wonders, Lord  
May Your wonders never cease, oh, yeah

May Your wonders never cease, Lord  
May Your Spirit never leave us  
Lord we long to see Your face  
Show Your glory and Your grace  
May Your wonders never cease, oh, yeah
