You said all that follow You may find
Comfort and pain, blessings in hard times
Were I to leave, where else would I go?
The words of life and of truth You hold
All I want is love
I confess to this
I will take it, Lord
All you have to give
Turn your eyes upon Jesus
Look full in His wonderful face
And the things of Earth
Will grow strangely dim
In the light of His glory and grace
And You give yourself away
And you give yourself away
And you give
And you give
And you give yourself away
All I want is love
And I confess to this
I will take it, Lord
All You have to give
All You have to give
All You have
All You have to give
Your love, oh Lord
Reaches to the heavens
Your faithfulness stretches to the sky
And Your righteousness is like the mighty mountains
Your justice flows like the ocean's tides
And I will lift my voice
To worship You, my king
