

Third Day "Merry Christmas"

Visit "[Merry Christmas](#)" on MotoLyrics.com

There's a little girl trembling on a cold December morn
Cyin' for mamma's arms
At an orphanage just outside a little China town
Where the forgotten are

But half a world away I hang
The stockings by the fire
And dream about the day
When I can finally call you mine

It's Christmas time again but you're not home
Your family is here and yet you're somewhere else
alone
So tonight I pray that God will come and hold you in His
arms
And tell you from my heart, I wish you a Merry
Christmas

As I hang the tinsel on the tree and watch the twinkling
lights
I'm warmed by the fire's glow
Outside the children tumble in a wonderland of white
And make angels in the snow

And half a world away you try
Your best to fight the tears
And hope that heaven's angels come
To carry you here

It's Christmas time again but you're not home
Your family is here and yet you're somewhere else
alone
So tonight I pray that God will come and hold you in His
arms
And tell you from my heart, I wish you a Merry
Christmas

And Christmas is a time to celebrate the Holy Child
And we celebrate His perfect gift of love
He came to us to give His life and prepare a place for
us
So we could have a home with Him above

It's Christmas time again and now you're home
Your family is here so you will never be alone
So tonight before you go to sleep, I'll hold you in my
arms
And tell you from my heart and I'll tell you from my
heart
I wish you a Merry Christmas

We wish you a Merry Christmas
We wish you a Merry Christmas
We wish you a Merry Christmas
And a Happy New Year

Good tidings we bring
To you and your kin
Good tidings for Christmas
And a Happy New Year

We wish you a Merry Christmas
We wish you a Merry Christmas
We wish you a Merry Christmas
And a Happy New Year

Good tidings we bring
To you and your kin
Good tidings for Christmas
And a Happy New Year

We wish you a Merry Christmas
We wish you a Merry Christmas
We wish you a Merry Christmas
And a Happy New Year
