

Third Day "More To This"

Visit "[More To This](#)" on MotoLyrics.com

People get ready
For something like you've never seen

Open up your eyes
Open up your heart
Open up your arms
And let the Spirit of the Savior set you free

Ooh, yeah, you ain't seen nothing yet
Well, all the rumors are true
I don't know about you
But I know, there's more to this

People, here it is
Just what we've all been waitin' for

Open up your eyes
Open up your heart
Open up your arms
Let the Spirit of the Savior set you free

Ooh, yeah, you ain't seen nothing yet
Well, all the rumors are true
I don't know about you
But I know, there's more to this

Oh no, oh no, it doesn't all end here
Don't think this is the end
I will tell you again
That I know, there's more to this

There's more to life
Than being born and dying
There's more to life
Than slowly growing old

If we are wise
We'll keep our eyes on Jesus
Or miss out on the very thing that
God has made us for

Ooh, yeah yeah, you ain't seen nothing yet

All the rumors are true
I don't know about you
But I know, there's more to this

Oh no, oh oh, it doesn't all end here
I don't think this is the end
I will tell you again
That I know, there's more to this, there's more to this
