Well, I was blind
Now I can see
You made a believer
Out of me

Well, I was blind
Now I can see
You made a believer
Out of me

I'm movin' on up now
I'm gettin' out of the darkness
My light shines on
My light shines on
My light shines on

Well, I was lost
But now I am found
I believe in you
I've got no doubts

Well, I was lost
Then now I am found
I believe in you
I've got no doubts

I'm movin' on up now
I'm gettin' out of the darkness
My light shines on
My light shines on
My light shines on

(My light shines on)
My light shines on
(My light shines on)
My light shines on

My light shines on
My light shines on
My light shines on
My light shines on

I'm getting out of darkness
My light shines on
I'm getting out of darkness
My light shines on

I'm getting out of darkness
My light shines on
I'm getting out of darkness
My light shines on

My light shines on
My light shines on
My light shines on
My light shines on

My light shines on
My light shines on
