Peace like a river flows within me
Love like a waterfall pours on me
I'll never be alone, can't you see

Peace like a river flows
Like a river flows on and on, and on

Hope is a fire burning in my soul
Life is eternal with You Lord
Who could ever ask for more

Peace like a river flows
Like a river flows on

I think of all I could have missed
Oh, well I just can't get over this
Can't get over, no

Faith is a light shining down on me
Mercy is a wind blowin' over me
The grace of God has set me free

Peace like a river flows
Like a river flows on

Oh, I think of all I could have missed
And oh, well, I just can't get over this
Can't get over

And oh, I think of all I could have missed
And oh, well, I just can't get over this
And oh, I think of all I could have missed
And oh, well, I just can't get over this

Can't get over, no, I can't get over it no, no
I can't get over it no, no, I can't get over it no, no
I can't get
