

Third Day "Run To You"

I was tired of waiting
Playing all the games and
Living in a place that was not for me

So I thought it was time
For me to get what's mine
And to do it all, everything I dreamed

What I thought was the best of me, turned to be
All the worst I could find

If I run to You
Will You hold me in Your arms forevermore?
If I run to You
Will You hold me in Your arms forevermore?

And now I got a feeling
That I've got to leave and
Find a way back to where I came from

Though I don't deserve it
I know it's unheard but
Living here without You, my life is done

I confess that I shouldn't have run from You
Now, I know I was wrong

If I run to You
Will You hold me in Your arms forevermore?
If I run to You
Will You hold me in Your arms forevermore?

Nowhere to run to and no one to turn to
I'm dying out here on my own
And long before I even thought of returning
Your arms are wide open waiting for me to come home

Oh, oh, oh yeah
Waiting for me to come home
Oh, oh, oh yeah

If I run to You

Will You hold me in Your arms forevermore?
If I run to You
Will You hold me in Your arms forevermore?

If I run to You
Will You hold me in Your arms forevermore?
If I run to You
Will You hold me in Your arms forevermore?

Oh yeah, oh yeah
If I run to You, if I run to You
If I run to You, if I run to You
If I run to You, if I run to You
