

Third Day

"Shake"

Visit "[Shake](#)" on MotoLyrics.com

I need to let go
Of everything that I have built for myself
And ask one question now
Is it worth it

Shake this house right to the ground and
Shake this house
Come and turn it inside out
Come on now and shake this house again
Shake this house
Come and turn it inside out
Show us what you're all about
It's all about your love
It's all about your love

Break me from these chains
Let me see this cage
I have built for myself
Do whatever it takes
Make it right

Shake this house right to the ground and
Shake this house
Come and turn it inside out
Come on now and shake this house again
Shake this house
Come and turn it inside out
Show us what you're all about
It's all about your love
It's all about your love

I want to be close to you
Don't want to let go of you
I can never get close to you
'Till you break everything that stands in our way

Shake this house right to the ground and
Shake this house
Come and turn it inside out
Come on now and shake this house again
Shake this house

Come and turn it inside out
Show us what you're all about
It's all about your love
It's all about your love

It's all about your love (x4)
Shake this house (x4)
