People talkin' like it's the end of time
And I look up to the heavens for a sign
Everybody's lookin' at me but I won't be deceived or
afraid
'Cause I know that the Son is on the way

Yeah, sky falls down, it crumbles into the sea
The sun goes out, He's coming back for me
I'll be found at the place where the gravity leaves the
ground
And I won't be comin' down now

And I've heard rumors that war's not far away
If they take me I know just what to say
Everybody's up in arms but I won't be alarmed or afraid
'Cause I know that the Son is on the way

Yeah, sky falls down, it crumbles into the sea
The sun goes out, He's coming back for me
I'll be found at the place where the gravity leaves the
ground
And I won't be comin' down, down, down

Yeah, sky falls down, it crumbles into the sea
The sun goes out, He's coming back for me
I'll be found at the place where the gravity leaves the
ground
And I won't be comin' down

Sky falls down, it crumbles into the sea
The sun goes out, He's coming back for me
I'll be found at the place where the gravity leaves the
ground
And I won't be comin' down, down, down, down, down,
down
