

Third Day "Take It All"

Visit "[Take It All](#)" on MotoLyrics.com

All the promises I've broken
All the times I've let you down
You've forgot them but still I hold on
To the pain that makes me drown

Now, I'm ready
To let it go
To give it away

Take it all 'cause I can't take it any longer
With all I have, I can't make it on my own
Take the first, take the last
Take the good and take the rest
Here I am, all I have, take it all

All the roads that lie before me
All the struggles I go through
Every second I'm reminded
That it all belongs to You

Now I'm ready
To let it go
To give it away

Take it all 'cause I can't take it any longer
With all I have, I can't make it on my own
Take the first, take the last
Take the good and take the rest
Here I am, all I have, take it all

And ever since I died to myself
You gave a better life to me
I give You my finest moment
I give You the last breath I breathe

Take it all 'cause I can't take it any longer
With all I have, I can't make it on my own
Take the first, take the last
Take the good and take the rest

Take it all 'cause I can't take it any longer
With all I have, I can't make it on my own

Take the first, take the last
Take the good and take the rest
Here I am, all I have, take it all
