Ruler of the universe, higher than the kings of earth
Long before the world began, everything was in Your
hands

Your glory will forever stand
For You are the Lord and You are God above
Your love goes on and on

You are the Everlasting Father
You are the Everlasting
You are the Everlasting Light, oh yeah
Every knee shall bow before You
(Every knee shall bow)
You are the Everlasting Life

You rule raging of the sea, the hills proclaim Your
majesty
All these things created for the glorifying of the Lord
We praise Your name forevermore
For You are the Lord and You are God above
Your love goes on and on

You are the Everlasting Father
You are the Everlasting
You are the Everlasting Light, oh yeah
Every knee shall bow before You
(Every knee shall bow)
Lord of Mercy we adore You
(We adore You)
You are the Everlasting Life

My heart cries out, my spirit shouts
I'll praise Your name forevermore

You are the Everlasting Father
You are the Everlasting
You are the Everlasting Light, oh yeah
Every knee shall bow before You
(Every knee shall bow)
Lord of Mercy we adore You
(We adore You now)
You are the Everlasting Life
