"This Is Who I Am"

Visit "[This Is Who I Am](#)" on MotoLyrics.com

I?m a son of a good man
I?m the child of an angel
I?m the brother of a wild one
And I?m looking for direction

I?m the lover of a beauty
I?m the father of blessings
I?m a singer of a love song
But is that all I?m good for?

This is who I am, oh, this is who I am
So take me and make me something so much more
This is who I am, oh, this is who I am
So change me and make me someone better than
before

I?m a saint and a sinner
I?m a lover and a fighter
I?m a true believer
With great desire

I?m a preacher of grace
Prophet of love, teacher of truth
I?ve fallen down so many times
But here I stand in front of You, yeah

This is who I am, oh, this is who I am
So take me and make me something so much more
This is who I am, oh, this is who I am
So change me and make me someone better than
before

So, take me as I am
But please don?t leave me that way
?Cause I know that You can
Make me better than I am today
Oh, better than today, oh yeah, oh

This is who I am, oh, this is who I am
So take me and make me something so much more
This is who I am, oh, this is who I am
So change me and make me someone better than

before
