Your eyes, they shine  
Unlike anything I've ever seen  
Your smile, it lights up the skies  
I hear Your voice  
And it's given me a song to sing  
Your fire, it's burning inside

So take my hand  
Take my spirit and  
Shine Your light on me  
Imagine my surprise  
The fire in Your eyes  
More than I hoped it could be

You are my everything  
You are my everything

My world was changed  
From the moment that I saw Your face  
My life has finally begun

So take my hand  
Take my spirit and  
Shine Your light on me  
Imagine my surprise  
The fire in Your eyes  
More than I hoped it could be

You are my everything  
(When I'm lost in the dark)  
You are my everything  
(When I'm falling apart)  
You are the song I sing  
(I'll tell the world who You are)  
You are my everything

Well, I've been in love before  
But it's never felt like this  
When You're knockin' at my door  
How can I resist  
And I'll give You all I have

And I hope that You believe  
I'd do anything You want in this world  
Just to have You here with me  
You are my everything

You are my everything  
(When I'm lost in the dark)  
You are my everything  
(When I'm falling apart)  
You are the song I sing  
(I'll tell the world who You are)  
You are my everything  
You are my everything  
You are my everything
