I am always here
How's it make you feel to know
That you're not alone
Even when you cry
I will hold you tight
And say don't you be afraid
Toss your cares away
Leave your burdens on me
There is nothing that I wouldn't do for you
And I'll keep all the promises I have ever made
I am going to be with you
Here and everywhere
Do you know that you're not alone
And I will go ahead of you
What have you to fear
Do you know that you're not alone
You are not alone
Whoa no
I am always here
Yes I hear your prayer to me
And if you believe
That you can do anything
I will give you all the strength
Take you by the hand
And I'll lead you all the way
Toss your cares away
Leave your burdens on me
There is nothing that I wouldn't do for you
And I'll keep all the promises I have ever made
I am going to be with you
Here and everywhere
Do you know that you're not alone
And I will go ahead of you
What have you to fear
Do you know that you're not alone
You are not alone
Whoa no you are not alone (x3)
I am going to be with you
Here and everywhere
Do you know that you're not alone
And I will go ahead of you
What have you to fear

Do you know that you're not alone
You are not alone
