96 degrees  
in the shade  
real hot in the shade

said it was 96 degrees in the shade  
ten thousand soldiers on parade  
taking i and i to meet a big fat boy  
sent from overseas  
the queen employ  
excellency before you i come  
with my representation  
you know where i'm coming from

you caught me on the loose  
fighting to be free  
now you show me a noose  
on the cotton tree  
entertainment for you  
martyrddom for me

96 degrees in the shade  
real hot in the shade

some may suffer and some may burn  
but i know that one day my people will learn  
as sure as the sun shines, way up in the sky  
today i stand here a victim the truth is i'll never die

96 degrees in the shade  
real hot in the shade
