Corruption

This world is full of Corruption (na, na, na)

Corruption

This world is full of so much vice and crime

Prostitution, revolution

Another scandal every day

Sneaky deals on Wall Street

They got the whole wide world in a mess

Corruption

This world is full of corruption (na, na, na)

Corruption

This world is full of so much vice and crime

Vote for me, I'll set you free

That's what the politicians say

Makin' promises they can't keep

They got people living, dying in the streets

Corruption

This world is full of corruption (na, na, na)

Corruption

This world is full of so much vice and crime

Epidemics, oh look at A. I.D.S.

Got the whole wide world in a rage

Where did it come from, somebody knows

I guess you reap what, what you sow

Corruption

This world is full of so much corruption (na, na, na)

Corruption

This world is full of so much vice and crime

Go to the market for your daily bread

Somebody says you got poison instead

Sex an' violence, murder, suicide

Who can you trust, everybody's takin' a bribe

Corruption

This world is full of corruption (na, na, na)

Corruption

This world is full of so much vice and crime

I've got the solution, do you want to know

I've got the solution, everywhere I go

Love your neighbor as you love yourself y'all (na, na,
na)
Love your brother
As you love yourself y'all (na, na, na)
Do unto others as you would have them do unto you
love your sisters and brothers as you want them too
Too much hate
Thou shalt not steal
Thou shalt not steal
Think about it just one time
What I'm telling you
You've got to stop lying
