Hey, you're sweet as a honey bee
But like a honey bee stings
You've gone and left my heart in pain
All you left is our favorite song
The one we danced to all night long
It used to bring sweet memories
Of a tender love that used to be

Now it's the same old song
With a different meaning since you been gone
Now it's the same old song
With a different meaning since you been gone

Oh, I
Yes, I

Sentimental fool am I
To hear a old love song and wanna cry
But the melody keeps haunting me
Reminding me how in love we used to be
Keep hearing the part that used to touch our heart
Staying together forever, breaking up never

It's the same (Same, same, same) old song (Old song)
With a different meaning since you been gone
It's the same (Same, same, same) old song (Old song)
With a different meaning (Ooh, girl) since you been
gone

Oh, I, I, I, I
Yes, yeah

Oh, oh, precious memories keep lingering on
Every time I hear our favorite song
Now you're gone left this emptiness
I only reminisce the happiness we spent
We used to dance the music [Dance the music]
Make romance through the music [Romance through
the music], hey, hey

Now it's the same old song

With a different meaning since you been gone (Since
my girl's been gone)
It's the same (Same, same) old song (Old song)
With a different meaning since you been gone (Since
my girl's been gone)

Oh, I
Oh, I came here to hear it

Same, same, same old song
Ooh, baby, you've been gone, oh
[Same] Same, same, same old song
It feels so different now that you're gone

[Same] Sang dang da dang da dang dang dang
[Old song] Sang dang da dang da dang dang dang
Ooh, ooh, ooh, I can't take since you've been gone

It's the same (Same, same, same) old song (Old song)
With a different meaning since you been gone (Oh,
whoa)
It's the same (Yeah, yeah) old song (Same old song)
With a different meaning (Such a different meaning)
since you been gone

It's the same (Same, same, same, same, same) old
song (Yeah, yes)
With a different meaning since you been gone
