Special announcement to the Universe

A love mission

Intergalactic

Your mission is the preservation of creation

Special request to the observation

Love's stronger than a mutual

Dread 1 reporting to special mission Love

Leader 1

Come in. Love Leader 1

Observer 1 reporting

Alien state, find war machinery

Evil walking, overtake the city

My scanner picks up vibes coming from another
place

Evil cabal in my space

No matter what creed, no matter what race

Soldiers,...

All across this planet

The only peaceful place, hmmm

Reggae...

Love Leader 1 reporting to Dread 1

Radio loud and clear

Music coming over air

Dread 1 to Love Leader Love 1

The wicked heart melting

The wicked heart melt
