Now that we've found love
What are we gonna do with it?
Now that we've found love
What are we gonna do with it?

Now that we've found love
What are we gonna do with it?
Now that we've found love
What are we gonna do with it?

Now that we've found love
What are we gonna do with it?
Now that we've found love
What are we gonna do with it?

Make daddy shoot, make daddy shoot,
Make daddy shoot, shoot, shoot all over the place
I say, come on baby, when the music's playing
I want to see you dance, dance, dance.
Come on baby, say when the music's playing
I want to see you dance, get up and dance.
Ooh yeah, ooh yea.
Come on baby let me show what a, what a man can do.
I said music, oh ah yeah,
Say stole into my soul, went on and on.

Now that we've found love
What are we gonna do with it?
Now that we've found love
What are we gonna do with it?

Let's give love a try
Let love control, control your destiny
Owe it to ourselves, yes we do
To live happy eternally.
Sweet love is what we've been searching for
And love is what we're looking for
Yeah, now that I've got it right here in my hand
I'm gonna spread it all over the land.
Now

Now that we've found love

What are we gonna do with it?
Now that we've found love
What are we gonna do with it?

Now that we've found love
What are we gonna do with it?
Now that we've found love
What are we gonna do with it?

You've got to forgive and forget
Let hate, let hate, be your enemy
Give your heart to the Lord
And only love will set your spirit free
Aah, love is what we've been searching for
Sweet love is what we're looking for
Now that I've got it right here in my hand
We gonna spread it all over the land.

Now that we've found love
What are we gonna do with it?
Now that we've found love
What are we gonna do with it?

Now that we've found love
What are we gonna do with it?
Now that we've found love
What are we gonna do with it?

Now that we've found love
What are we gonna do with it?
Now that we've found love
What are we gonna do with it?
Now

I said when my? lay
Feel the whole damn world move
Move to the groove
I said it's love, yeah

Now that we've found love
What are we gonna do with it?
Now that we've found love
What are we gonna do with it?

Now that we've found love
What are we gonna do with it?
