Now that we've found love
What are we gonna do with it?
Now that we've found love
What are we gonna do with it?

Make daddy shoot, make daddy shoot
Make daddy shoot, make daddy shoot
Make daddy shoot, shoot, shoot, shoot all over the
place
I'm sayin', come on baby, when the music's playin'
I wanna see you dance, dance, dance

Come on, baby, say when the music's playin'
I want to see you dance, get up and dance
Ooh, yeah, ooh, yeah
I said, come on, baby let me show what a, what a man
can do
I said music, oh, ah, yeah, say stole into my soul, went
on and on

Now that we've found love
What are we gonna do with it?
Now that we've found love
What are we gonna do with it?

Let's give love a try
Let love control
Control your destiny

Owe it to ourselves, yes we do
To live happy eternally
Sweet love is what we're searchin' for
And love is what we're lookin' for, yeah
Now that I've got it right here in my hand
I'm gonna spread it all over the land, now

Now that we've found love
What are we gonna do with it?
Now that we've found love
What are we gonna do with it?
Now that we've found love
What are we gonna do with it?

You've got to forgive and forget
Let hate, let hate, be your enemy
Give your heart to the, Lord
And only love will set your spirit free

Love is what we've been searchin' for
And sweet love is what we're lookin' for
Now that I've got it right here in my hand
We're gonna spread it all over the land

Now that we've found love
Tell me what are we gonna do with it?
I read it out to Lord, oh
Now that we've found love
What are we gonna do with it?

Now that we've found love
What are we gonna do with it?
Now that we've found love
What are we gonna do with it?
Now that we've found love
What are we gonna do with it?
