The wind has changed its direction  
And brought a song of love and life for  
everyone  
For everyone to sing  
It's true, it's true, it's true

It's blowing in the wind  
Blowing from a land  
Upon a, upon a upon a hill so high  
That land is Zion, oh  
Hey, let's sing a song for all the Jah children  
We're gonna sing it with one heart, yeah  
We're gonna sing it with one love

Once there's love all over the world  
No one's gonna take it away  
Once there's love at) over the world  
No one's gonna take it away  
etc....  
Tell me/ who's gonna take it?

There's a love we must share  
Yes, you can find it almost everywhere  
Oh, I can feel it in the air  
In the air  
And the song that we sing  
Don't we know the love that it brings  
Oh, the joy that it brings  
Hey, let's sing a song for all of God's children  
We're gonna sing it with one heart, oh yes  
We're gonna sing it with one love, yeah  
Once there's love all over the world  
No one's gonna take it away  
Once there's love at) over the world  
No one's gonna take it away  
etc....  
Tell me/ who's gonna take it?  
No one can  
Tell me who  
No one can take away the heart  
I said, once there's love all over this world  
Hey, tell me who

Once there's love all over the world  
No one's gonna take it away  
Once there's love all over the world  
No one's gonna take it away  
Once there's love at) over the world  
No one's gonna take it away  
etc....  
Tell me/ who's gonna take it?

Yeah, yeah, tell me  
Who can take it, once you've got it  
Nobody, nobody, nobody got the power  
To take your love away from you  
They can't take it away from me  
They can't, they can't take it  
No no no  
etc....  
I'm gonna send it

Let my love turn on your lights  
And brighten up your life  
All over the world  
I'm gonna send it to Germany  
I'm gonna send it to America  
I'm gonna send it over to Japan...
